

Saturday, Sept. 14 in the Festival Area

We care about our earth and environment and wish to do our part to foster a sustainable future for generations to come. We are committed to protecting our natural resources by re-using and recycling whenever possible.

11am & 2pm - PUPPET SHOW! "All Hands In" inviting all ages to participate in puppets and in caring for our earth and each other. Come and enjoy these delightful puppet shows for all ages! Sponsored by Koolwink Motel.

KIDS' ART TENT sponsored by FNB led by youth of the Environmental Youth Program who strive to recycle items to create fun art projects. Old egg cartons make finger puppets; paper towel rolls are turned into decorative displays. There will be finger painting, draw your own creation, decorate pine cones, make crabs from oyster and clam shells at the art station which is open for any creations kids will think of.

EARTH ART - Have fun and learn how you can re-purpose trash and recyclables into treasures - garden sculptures, jewelry, reusable grocery bags! For all ages.
