

Interested in offering your heritage, life, or artistic skills to instruct or accept commissions from others? We are developing a directory of people who are willing to teach others or take commissions.

If you have an art, heritage, or life skill to share, sign up. We will prepare the directory and have it available online at the HCAC and Hampshire County Co-op web and FB pages as well as hard copies in different locations in the county. No fees to HCAC or the Hamp. Co. Co-op are necessary.

Please fill out below and return to Nancy Judd or mail to Nancy Judd, 7727 S. Fork Little Cacapon Rd, Shanks, WV 26761 or send to Nancyjudd@frontier.com by **October 31, 2021**.

In filling out this form, I understand the directory is only a source of information for genuinely interested parties interested in learning specific skills or receiving merchandise. Any contract or agreement between the teacher and instructor are theirs alone. Times, locations, skills, products, fees, and ages of students are the responsibility of the involved parties, not HCAC or The Hampshire County Co-op.
